Parents,

Due to traffic concerns during the 2014-2015 school year, we have decided to change our Student Drop Off procedures in the morning before school.

Students will NO longer be allowed to be dropped off at the front of the school. Students will be dropped off in the front of Foundation Hall (the side of Foundation Hall closest to the cafeteria which is the side opposite the gym). All traffic will enter campus on 40th Street, where the crossing guard is located. There will be signs directing you as to where to drive. All drop off traffic will exit campus onto Rollins Road. Please refer to the map on the back of this letter.

After school pick up will continue as it has in the past. Students will be picked up in front of the main school building when the bell ends at the end of our school day. Traffic will exit campus the same way the buses exit onto Main Street. The new procedures will go into effect on Monday, August 17th. If you have any questions, feel free to call the school.

Thank you for trusting us with your children and all your support.
