Each camper will be exposed to individual teaching and the basic fundamentals of the game including ball handling, passing and receiving, dribbling, shooting, defense, rebounding, cutting, and screening. We will feature daily guest speakers such as college basketball coaches to encourage and teach campers. Also, campers will receive a basketball, camp t-shirt, lunch each day, and a photo session with Rip's Photography. Picture packages and pricing will be available to you and your camper on the first day of camp, June 1st.

Competitive Contests: Each day we will have a series of contests that will be designed to work on various fundamental skills in a competitive fashion. These contests are designed not only to be a great teaching tool, but to be enjoyable to the campers as well.

We stress that all campers are picked up on time each day. Also, please note that lunch will be provided.
